

MFC Cookie Policy

Our Website uses cookies in order to make it easier to use and to enhance your experience, to support the provision of relevant information and functionality to you, and to provide us with information about how you use our Website.

Cookies are small text files that are stored on your device or web browser by websites you visit. They are widely used to make websites work more efficiently or to identify your device when you return to a website. Certain cookies may be set as soon as you visit this Website.

The table below explains the cookies we use on our Website and why.

COOKIE	NAME	PURPOSE
__cfduid	Cloudflare	This cookie is used to identify individual users behind a shared IP address and apply security settings on a per-user basis.
__gads	Google	Advertising cookies may be set on our Website when you visit. Unlike cookies that are set on Google's own websites, these cookies can't be read by Google when you're on a site other than the one on which they were set. They serve purposes such as measuring interactions with the advertisements on that domain and preventing the same advertisements from being shown to you too many times.
